**REPORT AND RECOMMENDATION CONCERNING PLEA OF GUILTY
(PLEA AGREEMENT)**

The United States of America and the defendant, having both filed a written consent to conduct of the plea proceedings by a magistrate judge, appeared before me pursuant to Fed. R. Crim. P. 11 and LCrR 11. The defendant entered a plea of guilty to Count 1 and 4 of the Indictment. Count 1 charges a violation of 21 U.S.C. §§ 841(b)(1)(B) and 846, that is, conspiracy to manufacture marijuana in excess of 100 plants. Count 4 charges a violation of 18 U.S.C. §§ 922(g)(3), that is, unlawful user of controlled substances in possession of firearms. After advising and questioning the defendant under oath concerning each of the subjects addressed in Rule 11(b)(1), I determined that the guilty plea was in its entirety voluntarily, knowingly and intelligently made and did not result from force, threats, or promises (other than promises in the plea agreement). I further determined that there is a factual basis for the guilty plea on each of the essential elements of the offense(s) in question. A plea agreement was disclosed at the plea proceeding and defendant stated he/she understood its terms and agreed to be bound by them. To the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C) defendant was advised the district judge to whom the case is

assigned may accept the plea agreement, reject it, or defer a decision whether to accept or reject it until the judge has reviewed the presentence report as provided by Rule 11(c)(3)(A). To the extent the plea agreement is of the type specified in Rule 11(c)(1)(B) defendant was advised by the Court that defendant has no right to withdraw the plea if the Court does not follow a recommendation or request in question.

I recommend that the plea of guilty be accepted and that the defendant be adjudged guilty and have sentence imposed accordingly. A presentence report has been ordered and a sentencing status conference set.
